OW – Open water

**Please enter races under our Club name – Burntwood Triathlon Club or Burntwood Tri Club.

Scoring – scores will be determined in comparison to the winning time in your age group (your time in seconds divided by the winning time in seconds). If you win your age group you will score 1.000.

Club League championships – the Club open championships (male & female) are open to all Club members. The Club novice championships are open to members competing in their first or second year of triathlon. To be eligible for the championships you must complete a minimum of 3 league races or 2 league races and a wildcard race. Your lowest 3 scores will count and the lowest total score wins. In the event of a tie a 4th race will be included in the score.

Club Distance Championships (Sprint & standard) – scores will be determined as above. The winners will be the lowest scoring male and female.

Darren Hale Memorial trophy – this will be awarded to the highest placed male or female Club member in the overall male or female results.

Wildcard race – this is a race not included in the list of Club league races. It can be over any distance. You can include one wildcard race in your total score.
